

Become a Music Sponsor of The Snohomish Farmers Market

The Snohomish Farmers Market is now entering its 20th season.

Our community is actually larger than those who frequent the market. Our online “neighborhood” is as thriving as our loyal market goers. We have an active blog, a facebook page, a bimonthly e-newsletter.

Updates and communication are also conducted through Snohomish Chamber of Commerce and Snohomish City Newsletter. We also put print ads in area newspapers and magazines, Snohomish County Tourism and Visitors Center Online listing as well as Puget Sound Fresh and Washington Farmers Market Association. These resources all drive potential customers and participants to the City of Snohomish website and various links.

With your Music Sponsorship to the Snohomish Farmers Market it enables us to pay the musicians who perform music during the market hours. We have a very limited budget and are only able to pay travel expenses if we do not receive outside support.

Your support of Music at the Snohomish Farmers Market will reach an audience far larger than just the day to day market goers. We enjoy being a nourishing social focal point in the community, which brings customers to downtown Snohomish. Your support makes us more vibrant and vital than ever.

Consider one of the sponsorship levels listed:

\$25 Level

A permanent listing on the Farmers Market blog with link to website
